# Ecolite-T Lighting Tower

## Does your lighting tower offer you all this?

- **Energy Efficient and Reduced emissions** – uses the latest lighting technology low energy lights with a fuel saving of up to 85% against standard metal halide mobile lighting towers
- **Excellent fuel economy** – only using 0.5ltr diesel
- **Fully banded design** – no fluids can leak from the unit in the unlikely event of an internal spillage
- **Time saving** – Up to 170 hours continuous run time on one tank of fuel
- **Fully Hydraulic 9.1 metre mast** – no hand winching required using bio-degradable fluids
- **Robust and sturdy** – able to withstand winds of up to 100 kph
- **The original TCP AMOSS** - Safety system that prevents movement of the unit while the mast is raised avoiding potential safety hazards from overhead structures. TCP AMOSS provides the ONLY truly mechanical failsafe mechanism
- **Safer working environment** – ceramic discharge lamps provide reduced glare, flicker free and high colour rendering index lighting
- **HATZ Diesel Engine** – complies with the latest emissions regulations
- **Easily Transportable** - compact and weighing only 750kg

## The TCP Ecolite can offer you all of this and more!

London and the home counties: 0845 3717626

South East & East Anglia: 01621 850777 South West Depot: 01884 266815

Midlands Depot: 02476 466966 North Depot: 01132 391297

ID: 000989

# Ecolite-T Lighting Tower

## Specifications

Dry/Unladen Weight (max)	750 kg	Fuel Capacity	95 ltr
Length	2500 mm	Fuel Consumption	0.5 ltr / hour
Height	2150 mm	Total Run Time	170 hours
Overall Height Floodlighting position	8850 mm	Lifting Eye Safe Working Load	1000 kg
Tow Hitch Height	440 mm	Stabilizing / Leveling positions	4 no
Width	1345 mm	Operating Voltage	12v DC/ 220v AC
Overall Width with Jack legs deployed	2105 mm	Ground clearance	244 mm
Wheel Size	165 R13	Braking system	Park & Overrun
Engine Manufacturer	Hatz 1B20	Max Wind speed for safer operation	100kph
Engine	3.1 kw	Additional Safety Systems	AMOSS
Noise Level	85 dBA LWA	Lamps	4 x 150w
Engine Oil Capacity	2.6 ltr	Option - Auxillary Power	220v
